## What is the interest rate?

### 3.00% AER/Gross

The interest rate is variable, which means the rate can go up or down.

Interest is calculated daily and paid once a year after 31 March.

Yes, the interest rate is variable.

We can change the rate at any time if we feel it's needed, this is in line with our General Terms and Conditions for Savings Accounts.

If we put the rate up, this is shown on our website, and information will be available in our branches and agencies.

If we put the rate down, we'll let you know as soon as we can - with at least 14 days notice.
